Rector's Message

Dear Graduating Class of 1990,

The 1989-90 academic year was a pivotal one for Concordia University, as it was for you as a member of this year's graduating class. Just as the University has completed construction of its new library and concert hall facilities at Loyola and is preparing to embark on new ventures, you have completed your work at Concordia and are preparing to move into society as a graduate of the University.

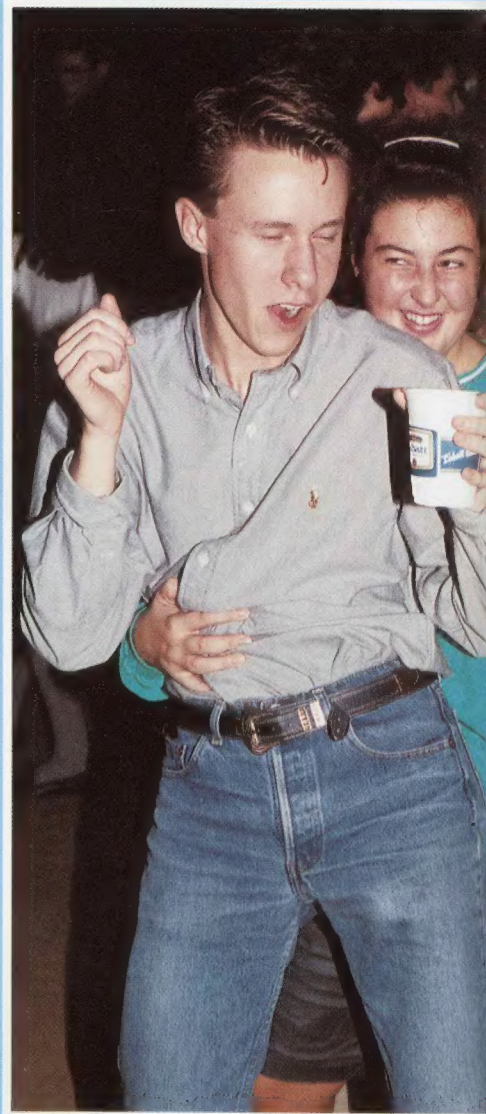

Through your years at Concordia, you have expected the University to provide you with the best education possible, as well as with a wide range of social activities. The University has expected you to be diligent in your academic work, in order to take advantage of everything we have to offer. We have also hoped you would participate in the social life at the University, so that you would leave Concordia

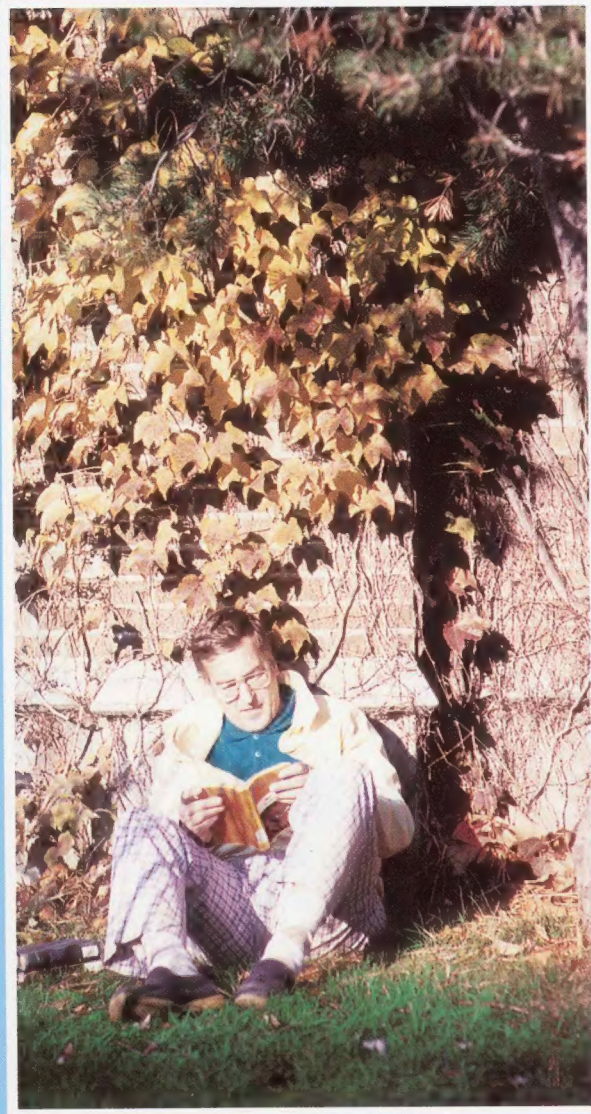

with fond memories as well as the quality education we have strived to provide.

Universities play a key role in anticipating the issues which will determine the direction of our nation's future social and economic development. Concordia has provided you with an intellectual forum within which many social issues can be discussed in the context of a full range of political and economic beliefs. It is our sincere hope that we have equipped you to contribute responsibly to the economic, environmental and social issues facing Canada, by balancing your expertise with compassion, in order to build this country with tolerance and social consciousness.

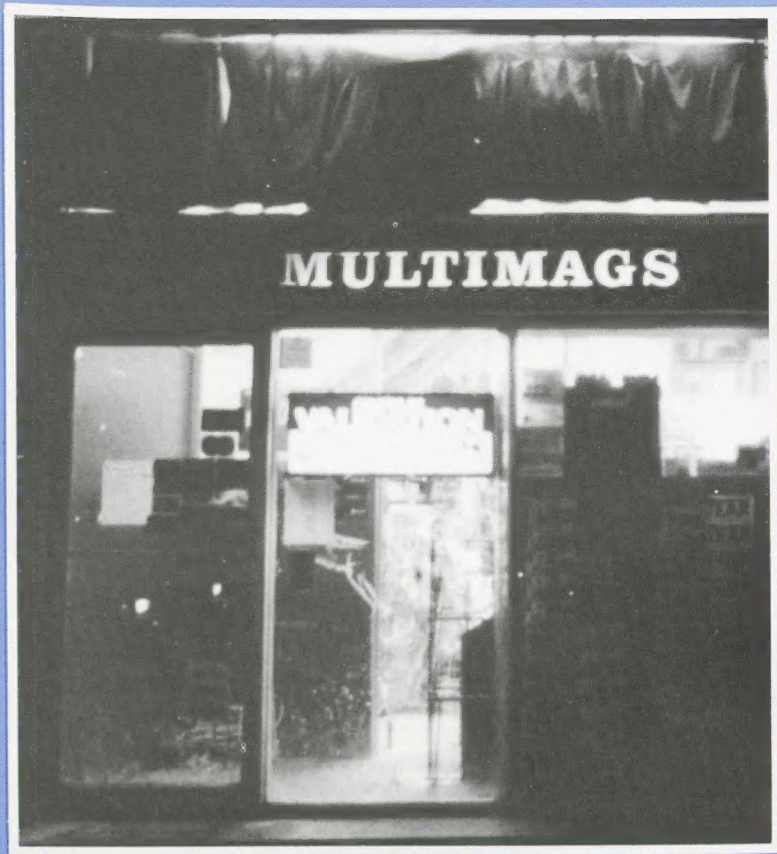

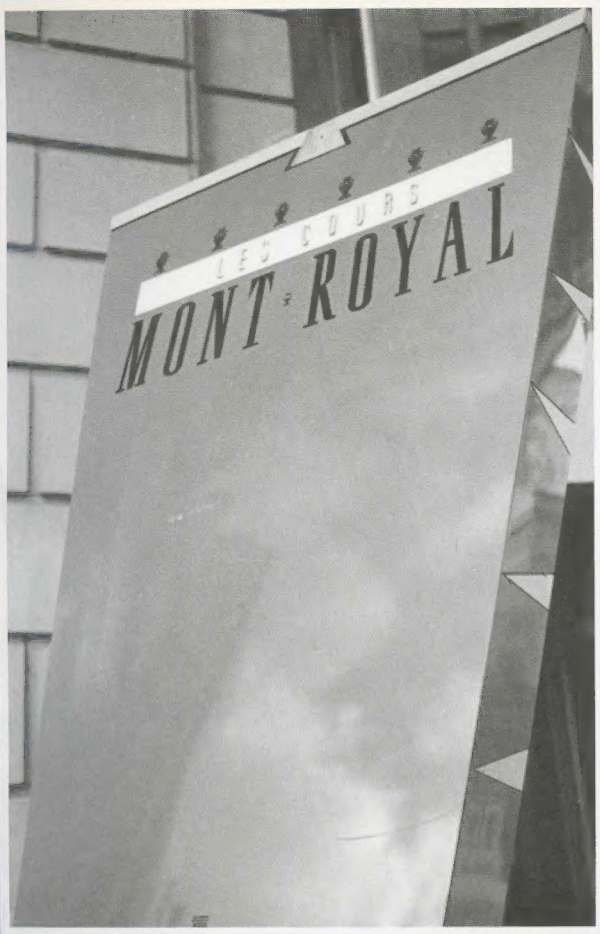

As you move on to new challenges in life, whether in a career or in graduate studies, I wish you all possible success in achieving your goals. We share the pride you must feel in graduating, and are proud to have you as a representative of Concordia University.

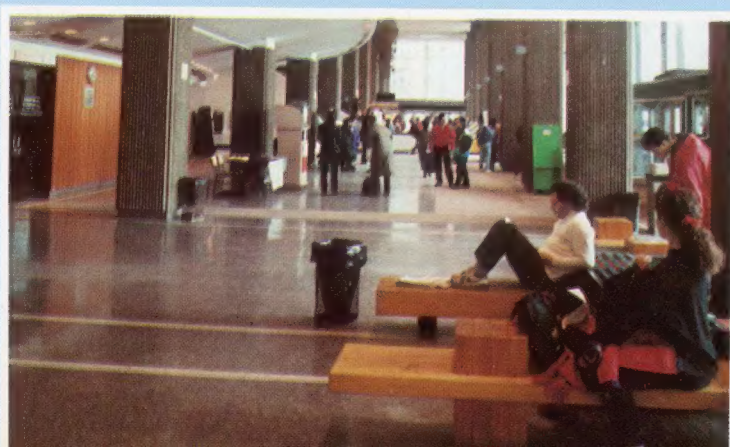

Patrick Kenniff
Rector & Vice-Chancellor

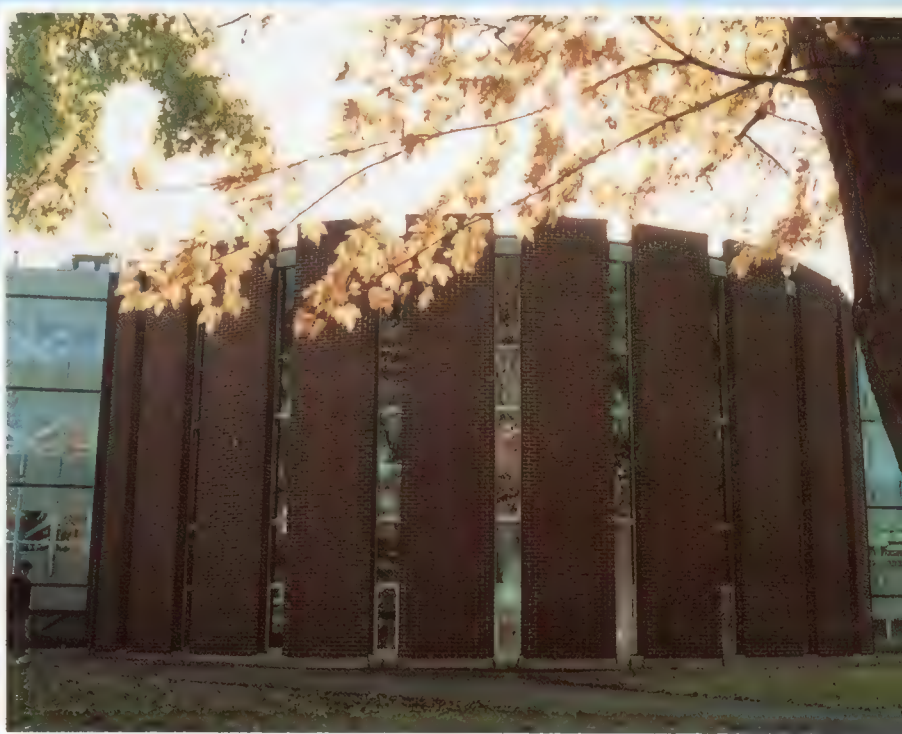

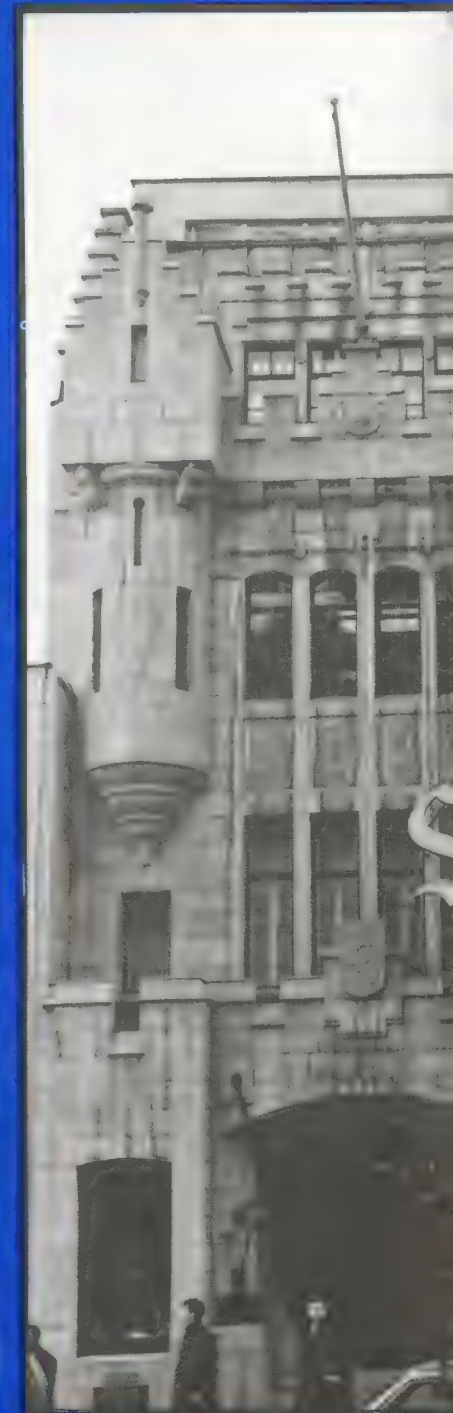

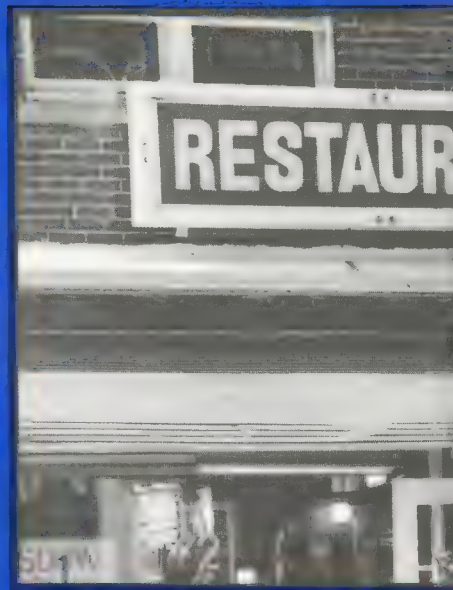

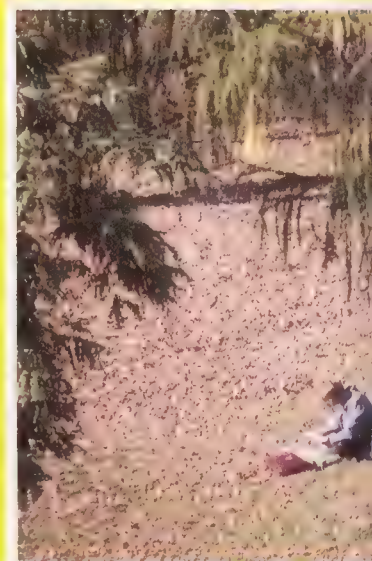

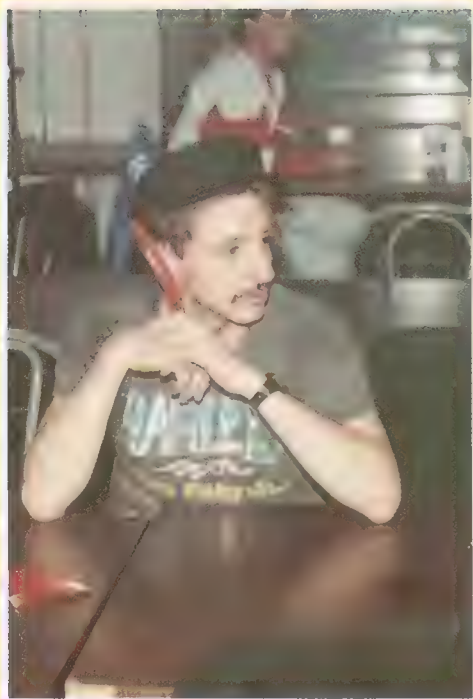

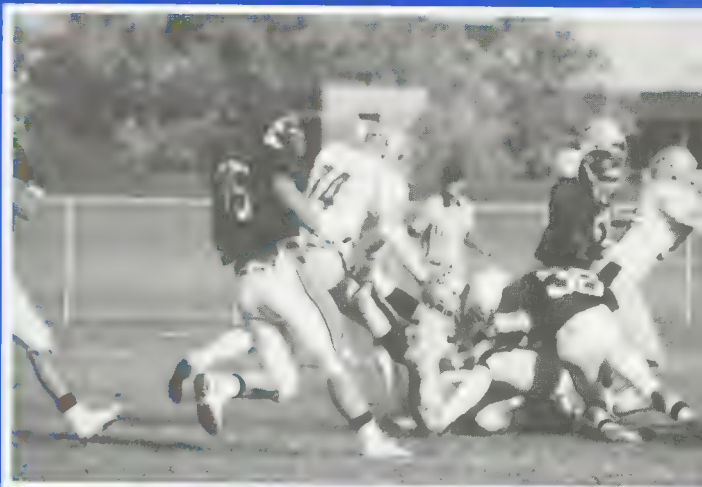

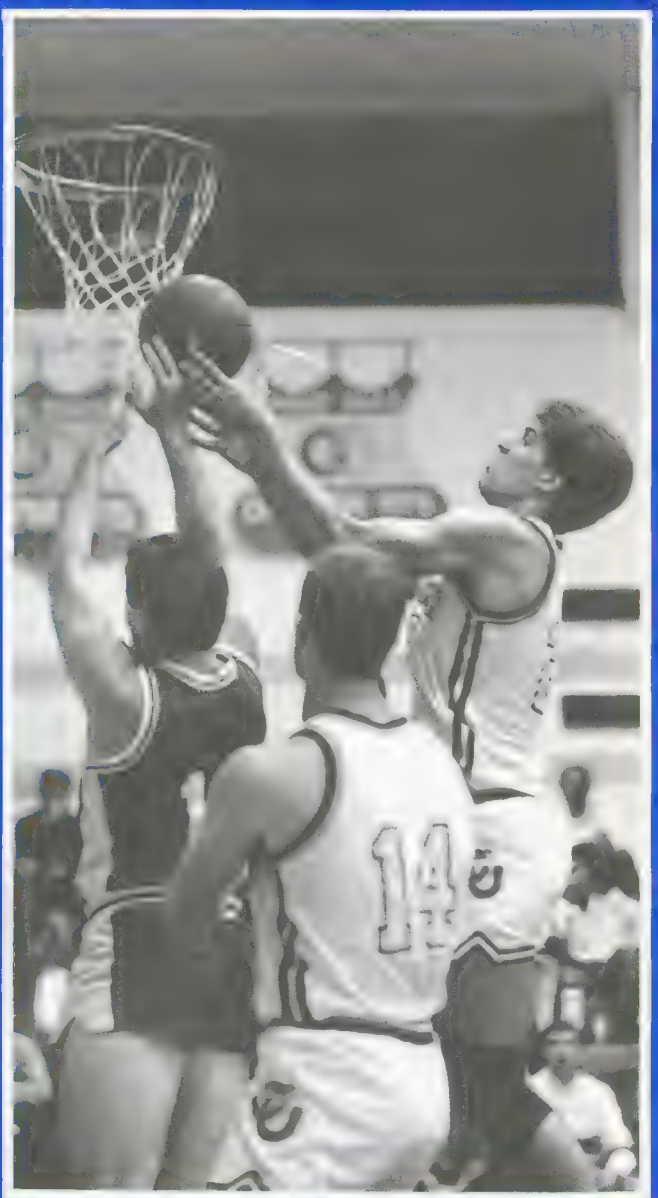

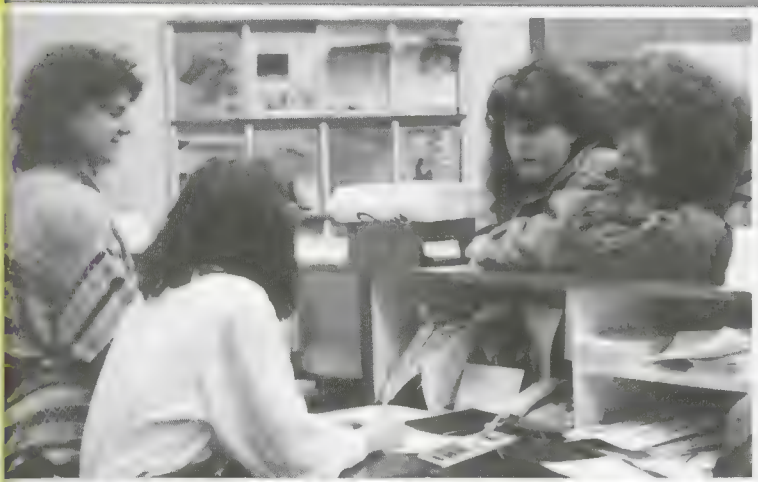

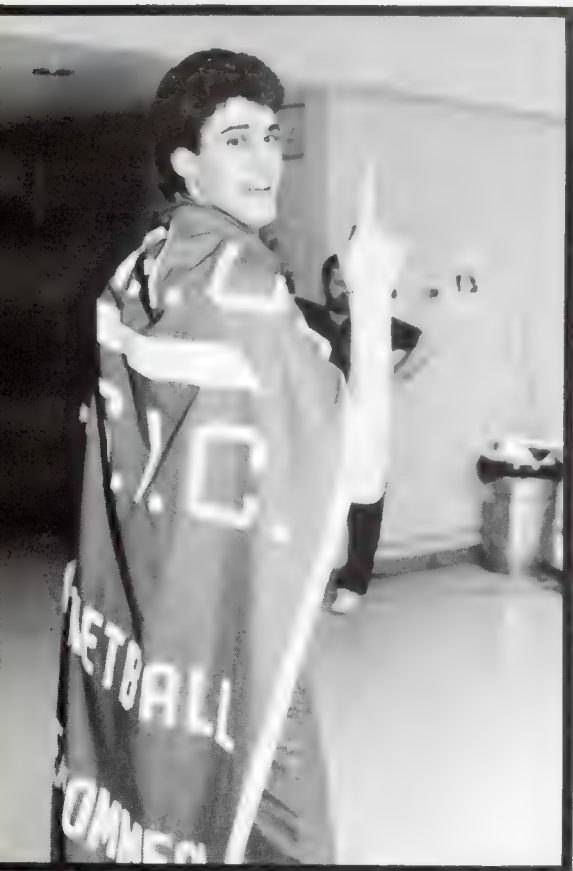

CCSL Awards

Sixteen students, one faculty member and one staff member were honoured at the annual CCSL awards reception on April 9 for their outstanding contribution to student life. Pictured at the left are the Merit, Media and Outstanding Contribution Award recipients: Melodie Sullivan, Elena Lonero, Micheal Orsini, Heidi Modro, Karen Cox, Robert Bratulic, Sylvain Gingras, Desirée McGraw, John Dore, Paul Dillon, Don Schuetze, Joseph Hulet, Kostas Stassinis, Carolyn Beckman. Absent: Richard Gotlieb, Danielle Comeau, Mark Farber, Doug Raphael.

Football

The future looks bright as the football team finished with a 4-3 record and third place in the O-QIFC.

On September 16, the Stingers defeated McGill 27-23 to win the Shaughnessy Cup. The annual match between McGill and Concordia was won by strong defensive play by the Stingers. Linebacker Martin Ferdaïs had an interception, a fumble recovery and six tackles.

Under Head Coach Pat Sheahan, the Stingers finished with its first winning record in seven years. Concordia also entered the play-offs for the first time since 1985 when they defeated Queen's 15-14.

Women's Soccer

The Concordia Women's Soccer team finished with a 5-2-1 record, and second place in league play.

The Stingers were led by QSSF All-Stars and All-Canadians such as Annie Caron, Leslie Clement, Suzanne Dufresne, and Alexandra Jones.

In the play-offs, the Stingers defeated Sherbrooke in the semifinals, but lost to McGill in the finals.

Suzanne Dufresne was named team MVP and Joanne Metcalfe won Rookie-of-the Year honours. National team member Annie Caron won the Sally Kemp Award as Concordia's Female Athlete of the year.

Men's Soccer Team

Men's Rugby Team

Men's Hockey

Paul Arsenault's squad continued to struggle as they finished in sixth place in the Ontario University Athletic Association East division.

The highlight of the season was on February 9th, when the Stingers upset the McGill Redmen 5-2 for the Corey Cup (tying for university hockey supremacy in Montreal) at the Montreal Forum.

Goaltender Robert Desjardins and forward Mark Davidson led the Stingers as they overcame a 2-0 deficit to defeat McGill.

Desjardins won the team's Most Valuable Player award. Steve Sonoaki won Rookie of the Year honours and Rob Boyle received a merit award for leadership, sportsmanship, and performance.

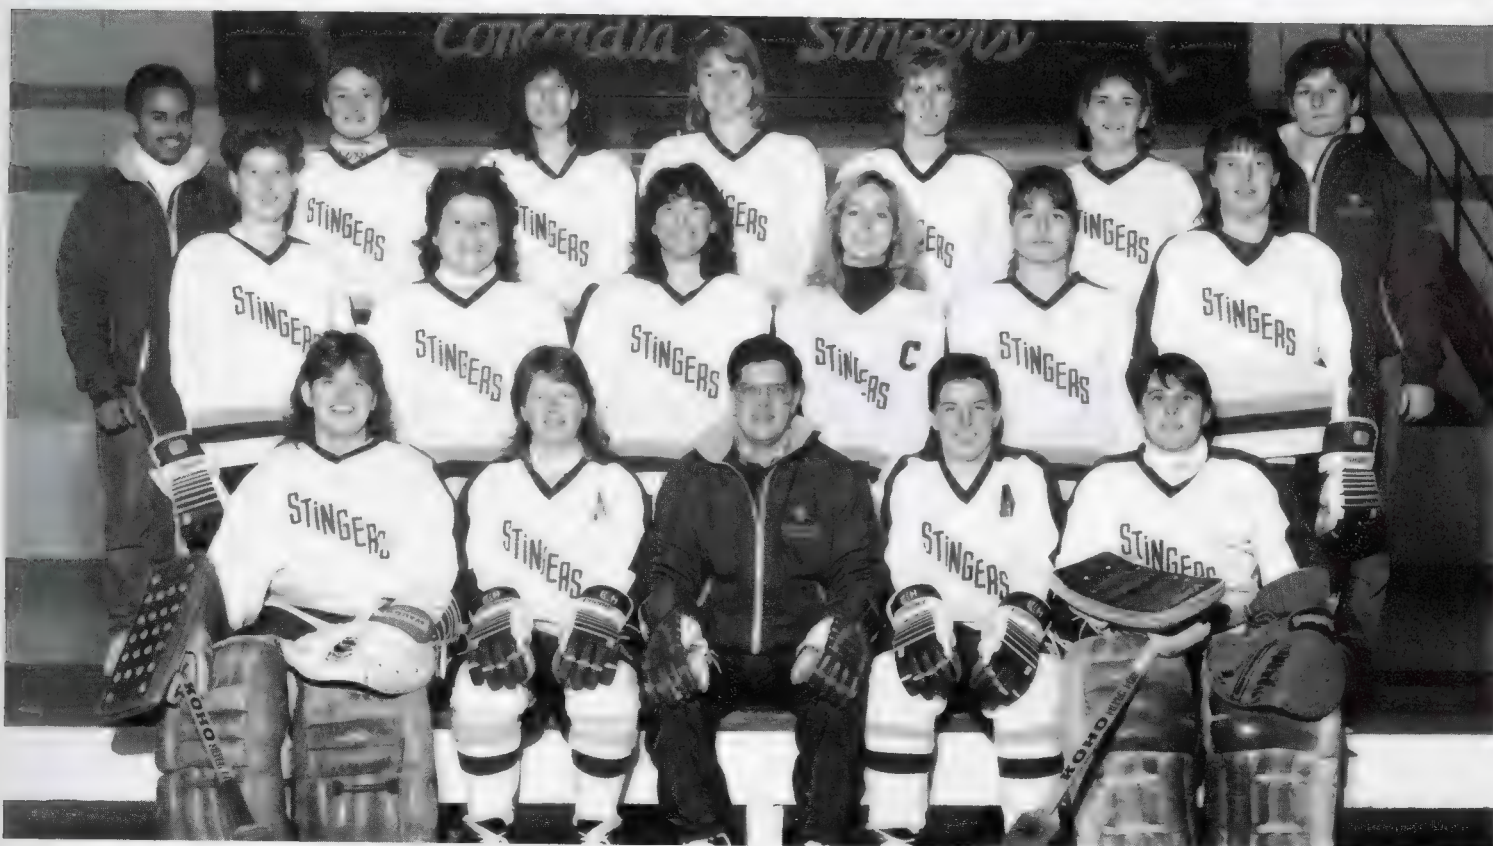

Women's Hockey

The Concordia Women's Hockey team kept rolling along as with a 27-10-2 overall record and their second consecutive Quebec Women's Intercollegiate Hockey League (QWHL) title.

Led by league all-stars Patty Arnold and Laura Leslie and Laura Leslie the Stingers swept the Laval Rouge et Or 3-2 and 4-3 in a best-of-three QWHL final.

Goalie Sandra Prosser won the Denise Boudet award for combining academic performance. Forward Michelle Lapointe received a most useful for leadership sportsmanship and performance.

Men's Basketball

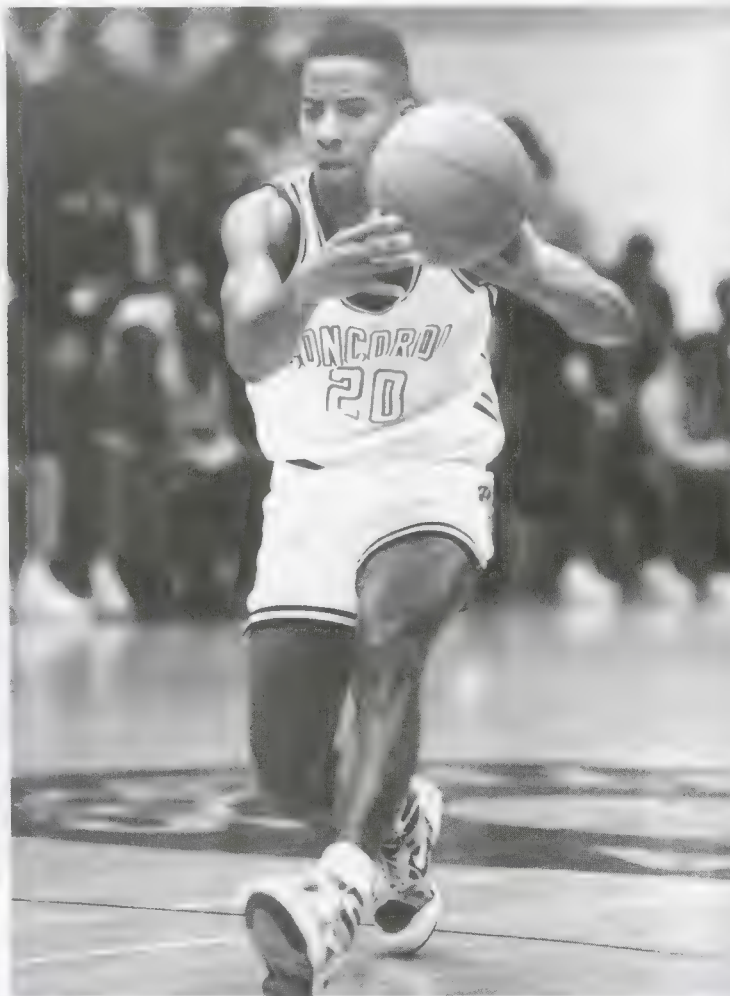

Won the Canadian Interuniversity Athletic Union (CIAU) National Championship! This was the first basketball team the Concord has ever fielded.

Led by coach Jack Juba Day, the Stingers finished the regular season with a 15-3 record and first place in the Ontario University Athletic Association (OUAA) East division.

At the CIAU national tournament in Halifax, the Stingers defeated St. Francis Xavier 78-72, Acadia 78-75, and Guelph 80-60 to become the first Quebec teaming to win the national title.

Forward Nick Anagnostis was named the tournament's Most Valuable Player, while Mike Cohen was named to the All-Star team. Anagnostis was also named UAA's MVP and won Robert Ferguson award rookie of the year.

Women's Basketball

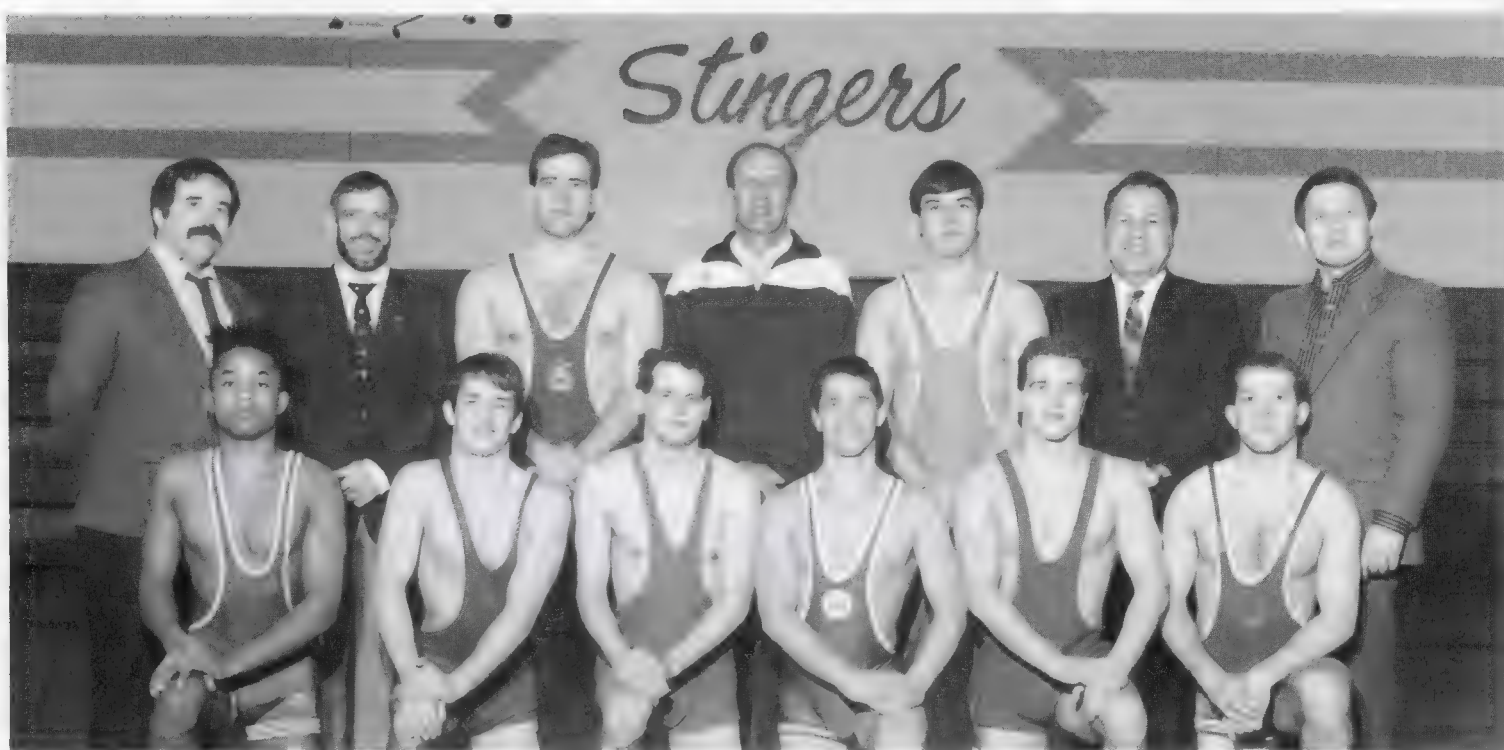

It was a frustrating year for the Lady Stingers as they missed a 17 game winning streak and remained in contention for a play-off spot until the end of the season.

On February 2nd, led by excellent team member Isabelle Tremblay, the Stingers defeated the McGill Martlets 24-12, and a five year winning streak to league play.

Concordia finished season in fourth place with victories over league rivals Bishop's, McGill, and Laval.

Captain Sharron McCreole was named the team's Most Valuable Player, while Tracy Gosselin was Rookie of the Year Award.

Ski Team

It was another successful season for the Concordia Ski team. The Women's squad repeated as provincial champions while the Men finished in fourth place.

Renata Scheib, Rosanne Gamache and 1988 Olympian Julie Klotz led the Women's team with top ten results in many races.

Gamache was named female MVP and Female Academic Athlete of the Year. Klotz won four races and won the individual gold medal.

Gabriel Takacs won the male MVP award and Peter Najim was named Rookie-of-the-Year.

Wrestling

Concordia's great wrestling team has now won the Canadian Inter-Collegiate Wrestling title six out of the last seven years.

Led by Head Coach Victor Zilberman, the Stingers captured seven medals at the Nationals.

Brian Curwin, Mike Meekins, Anthony Merlo, Tom Rebelo, Chris Villeneuve, and Dwayne Zacharie won medals in the respective categories.

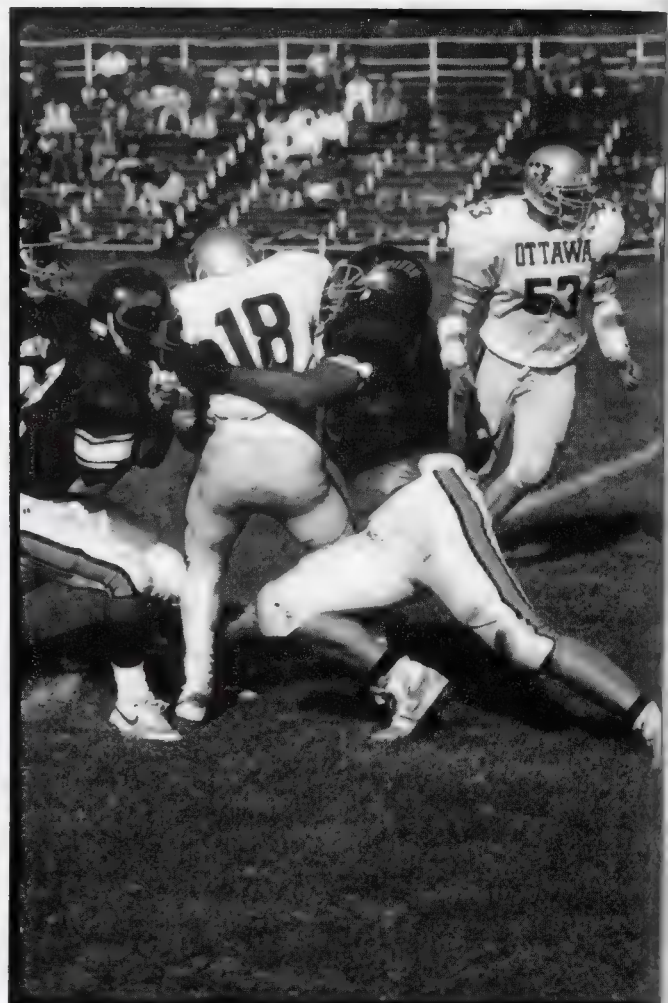

1988 Olympian Rob Dawson won 32 of his 33 matches over the season and won the CIAU gold medal. He was also named Concordia's Athlete of the Year.

Concordia Investment Association

Seated left to right: Alex Jones, Steve Skothos, Corinne Comperon. Standing left to right: Jimmy Toussos, Mario Trottier, William Bastien.

Garnet Key Society

Seated left to right: Eric Corso, Jason Susnick, Bill Crawford, Marty Shaw, Jeff Pekar. Standing left to right: Lynn Petros, Indu Singh, Susie Lacroix, Heather Tomlinson, Nicola Philpott, Raquel Katigbak, Pat Silas.

Concordia Circle-K

Concordia Circle-K receiving guests from the U.S.

The objectives of Circle-K are to make friends, learn to lead, and to serve the community. Every year you can expect to attend lots of parties, business luncheons, community centers, and meet lots of people and make many contacts at an international annual convention. Each year the convention is held at a different city.

Throughout the year many service projects and social activities will be organized. In the past we have raised money for the Telethon of Stars and the Special Olympics. We also organized a Christmas party for under-privileged children and outings to an orphanage. Last year we launched a can recycling project to raise funds for the downtown library complex, which is under construction.

New Concordia Canadians

It is unusual if not unique for a citizenship ceremony to occur in a place other than a Citizenship Court. On April 20 twenty new Canadians with Concordia connections were sworn in on the Mezzanine by Judge Lise D. Bourque. Concordia's hosting of this event is a tribute to the university's appreciation of our multi-cultural population.

Congratulations!

from the
Concordia University Alumni Association

You have just become a part of our
V.I.P. network

Volunteerism

Through the hard work of many volunteers, we are able to offer alumni an array of membership benefits ranging from borrowing privileges at the University libraries ... to discount rates on home, auto and life insurance ... to lower interest charges with the new Concordia University Affinity MasterCard.

Information

Through the *Concordia University Magazine* and our regular mailings, alumni can learn about Concordia events, issues related to higher education and stories of general interest. As long as alumni keep us abreast of any address changes, we can put you in touch with lost university friends.

Participation

Through membership on Concordia's Board of Governors, numerous advisory committees, and the Alumni Board of Directors, the Association has a strong voice in University affairs. Through participation in Phonathons and Annual Appeals, alumni lend valuable support to their alma mater.

To find out more about your alumni privileges and activities: Just stop by, or call one of our offices.

Sir George Williams Campus:

1463 Bishop Street West
Suite BC 101
Montreal, Quebec
Tel.: (514) 848-3818
Fax: (514) 848-2803

Loyola Campus:

7141 Sherbrooke Street West
Suite CC 324
Montreal, Quebec
Tel.: (514) 848-3823

Concordia University Alumni Association
Committed to Making a Great University Better

With Best Wishes for Success in the Years Ahead

DEAN OF STUDENTS OFFICE

When you run
but your sportswear doesn't
we're there to show our true colours.

Dyeing cloth is an age-old practice. And producing bright, lasting colours an age-old problem.

The strain on garment colours from basic wear and tear, washing and weather calls for dyes able to show their true colours for the life of a garment.

Hoechst provides the solution with Remazol®. Dyes so advanced that beautiful shades can be mass produced in far less time and with far less labour. So chemically adaptable that dyers can react quickly

to ever changing fashion trends as needed, and so advanced that washing and wearing won't let colours run away nor lose their hue.

®Hoechst High Chem

In our colourful world, Remazol dyes set the standard for the textile industry. And that's our goal for all our products through Hoechst High Chem. An unmatched commitment to research and innovative product solutions that has earned Hoechst its reputa-

tion as one of the largest, most advanced chemical companies in the world.

Dyed in the wool runners strive daily to meet new goals. As does Hoechst—every step of the way.

Hoechst Canada Inc.

Hoechst

Research
means
one thing...

life.

For thousands of Canadians, Sandoz research has meant a new lease on life following organ transplantation. Thanks to research into immuno-suppressant agents, people of all ages are celebrating successful transplantations. And so are we.

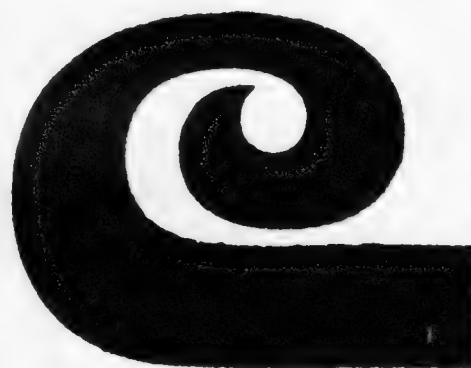

We are celebrating more than ten years since our clinical trials began on an agent that has changed transplant medicine forever. And the research continues.

Our research has meant a breakthrough for medicine. For thousands of Canadians, it means life.

SANDOZ

Research means life.

***We're more than
chemicals and
textiles. We're 2,000
plus people involved,
day by day, in the
chemistry and fabric
of community life.***

THE POWER TO HEAL

The Wellcome Trust has donated well over one and one half million dollars to medical schools and libraries throughout Canada.

The Wellcome Foundation Ltd., of which we are one of the worldwide constituents, is an organization without parallel in the pharmaceutical industry.

The energies and resources of the Foundation are channeled into the Wellcome Trust, set up exclusively to fund and advance research in medicine and allied sciences.

Our symbol, the unicorn, is linked to the power to heal and cure. The advancement of medicine and the detection, prevention and cure of disease is our high goal, as it is yours.

The list seems endless. In fact, a child's chances for a long and healthy life were once quite low. Thanks partly to progress in medicine, the odds have improved greatly.

And now, strengthened by the law encouraging pharmaceutical research in Canada, Merck Frosst will double its commitment to science. And more than double our chances of finding solutions.

Saving and improving lives takes people, motivation, leadership, and ideas – and a firm conviction that the list can be shortened.

MERCK FROSST

In search of better lives

Canadair Fights Fire On Four Continents.

When it comes to fire fighting, eight nations on four continents agree that one aircraft soars without peer: the venerable CL-215. Designed and manufactured by Canadair.

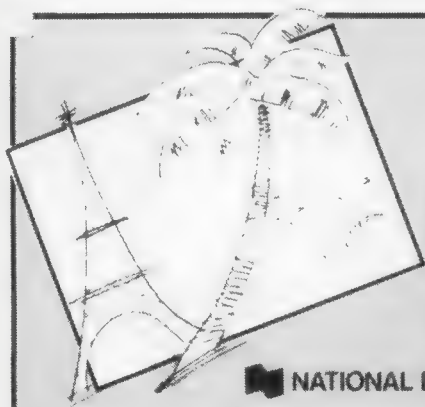

Certified as the first true modern multipurpose amphibian aircraft, the CL-215 has proven equally adept in the deployment of search and rescue missions, coastal patrols, paratroop transport and training. For even more speed, more power, more versatility, this proven performer is now available with turboprops as a CL-215T!

Faster than fire!

**Pouring resources and
knowledge into a dedicated
fight against suffering.**

Suffering costs nothing.

The pursuit of the perfect cure requires time, effort... and large sums of money.

At Ciba-Geigy, the question is not how much time or how much money, but how effective the end product is.

Which is why any breakthrough that results in the release of a new medicine is the culmination of long years of exhaustive and thorough research. It is, in fact, the creation of "new knowledge".

The initiation of such invaluable work would not be possible were it not for the direct participation of world-famous research institutions and organisations.

Significantly, the goal at Ciba-Geigy echoes that of mankind's - freedom from suffering.

CIBA-GEIGY
Creating new knowledge
for a healthier world.

**WITH OUR
BEST WISHES**
